Cathedral Arts Project Displays Art Work of Students at Library

Jacksonville, FL –

Artwork from students enrolled in the Cathedral Arts Project's afterschool program will be on display downtown at the Main Library from September 5 – 28. Featured works of art were created by students from Garden City, Pine Estates, and Woodland Acres elementary schools. The opening night celebration will be Wednesday, September 5 from 5 to 8 p.m. as part of The First Wednesday Art Walk in Downtown Jacksonville.

Cathedral Arts Project was established in 1993 by St. John's Episcopal Cathedral to serve disadvantaged children in Duval County through arts-based, after-school programming. Today, CAP has grown to become the largest provider of FREE, ongoing and standards-based instruction in the visual and performing arts for public school students in Duval County. Each week, CAP serves over 1,000 children with classes in dance, drama, music and visual arts.

CAP's mission is to enrich the quality of life in Northeast Florida through unleashing the creative spirit of young people. By providing access to instruction in the visual and performing arts, we empower underserved, school-aged children to succeed in all areas of their lives.

The Cathedral Arts Project is funded in part by the Ounce of Prevention Fund of Florida, The City of Jacksonville, Cultural Council of Greater Jacksonville, the State of Florida, Division of Cultural Affairs, the Florida Arts Council and the National Endowment for the Arts. For further information, contact Melanie Messer, Director of Community Relations, at (904) 281-5599, ext.18.
